Level II “Ancient Shamanism”

Level II is an advanced metaphysics course.

In this course, you'll explore the rich psychology of the ancient shaman tribal society. You will develop a sense of our universe's holy design, and your place in it. You will learn to “know what you know” and hone your shamanic abilities to extrapolate knowledge from the DNA. This course is dramatic, fascinating and powerful.

An excerpt from the Level II course:

“This is the plane of transformation. It is a holy plane. You must understand and come to grips with your own power, your own divinity—and this—this only—is the way into power.”

Level II Prerequisite

You must have your two Level I graduate sessions before proceeding to Level II. Please call your Level I teacher to arrange for these sessions.
